

# TRENT HOBBS

Cybersecurity Student

## EDUCATION

### University of Tennessee at Chattanooga

Bachelor of Science in Cybersecurity

Graduated Spring 2025

GPA 3.5

## CERTIFICATIONS

### CompTIA Security+

TryHackMe: Advent of Cyber 2024

Eagle Scout, Boy Scouts of America

## EXPERIENCE

### Internship at McAfee Media Solutions

- Diagnosing and repairing laptops and printers
- Installing/Renovating Wi-Fi configurations and Ethernet Cable Routing
- <https://mcafeemediasolutions.com/>

### Personal Cybersecurity Training

University of Tennessee at Chattanooga / Personal Projects

- Completed hands-on security labs via TryHackMe and CyberDefenders, including log analysis, phishing simulation, and malware triage.
- Built and managed Linux/Windows virtual environments for network and endpoint defense training.
- Practiced basic forensics, privilege escalation, and firewall configuration scenarios.

### Senior Capstone Project Magnolia (Sponsored by Capgemini)

Fall 2024 – Spring 2025

- Delivered a secure, full-stack application in an Agile team format.
- Responsible for backend integration, testing, and technical documentation.
- Collaborated with Capgemini professionals during planning and review phases.
- <https://www.capgemini.com/>

### Elysian Furnishings – Software Engineering Project

GitHub Repository

- Created a web-based product catalog with Node.js, SQL, and HTML/CSS.
- Focused on backend data handling and responsive design.
- Debugged deployment issues and documented the build process for public use.
